

Newburgh Interscholastic Athletic Department Overnight Athletic Trip

The coaching staff will be assuming the supervisory responsibilities of your son/daughter on a trip away from school. The Director of Athletics and the coaching staff feel it is important that the athlete and the parents fully understand the rules which govern such trips. An over night trip is a continuation of the school day and, as such, athletes participating on these trips are subject to the rules and regulations which govern our students while they are on school premises. All student athletes are subject to the rules and regulations outlined in the Newburgh Enlarged City School District's ***Student Code of Conduct***. Because the athletes will be representing Newburgh Free Academy and because their conduct, behavior, and safety are our responsibility, the Newburgh Athletic Department has established the following guidelines which must be adhered to while they are away from school and away from home.

- The luggage and personal effects of the athletes are subject to inspection prior to departing and at anytime during the trip.
- Any athlete found to be in possession of, or under the influence of alcohol or controlled substances, at any time prior to or during the trip, is subject to being sent home at their parent's expense.
- Athletes must observe all team rules and regulations.
- Athletes must also observe all civil laws and regulations.
- Since this trip requires overnight lodging, athletes will not disturb other guests or fellow team members at the lodging site and will abide by all rules and directives issued by the coaching staff.
- In the event an athlete is injured or becomes ill while on the trip, the coach will immediately seek medical attention for the athlete and contact the parents as soon as possible.
- The establishment and enforcement of any guidelines not covered in the above listed guidelines will be left to the discretion of the coach or coaches in charge.

Note - Any athlete caught violating any rules are subject to further disciplinary action by school authorities.

It is certainly our desire that the athletes have a great experience during the overnight trip. Would you kindly discuss with your child your expectations of them while they are away and sign this form and return it to the coach prior to departure.
